VISITOR & VENDOR SECURITY

Visitor and vendor security is a top priority, and we accomplish this with the help of the Accushield solution.

By signing-in and out and printing a name badge you help us accomplish the following:

> **Identify ALL individuals entering and exiting the community**

> **Collect details to monitor resident visits and care delivered**

> **Identify ALL individuals in the community during an emergency**

> **Collect visitor details and create awareness around sign-in**
